Instructions for Completion

This document will be used by a Probate Court to determine whether to appoint a guardian to assist this individual in some or all areas of decision-making.

This document has two parts. Please first complete the part which is right after these instructions, titled Assessment. Then complete the second section, titled Summary.

To a physician completing this document: The individual's treating physician must complete this document. If there is any information of which the treating physician does not have direct knowledge, he or she is encouraged to make such inquiries of such other persons as are necessary to complete the entire form. Those persons might include other medical personnel such as nurses, or other persons such as family members or social service professionals who are acquainted with the individual. If the physician has received information from others in completing this form, the names of those individuals must be listed on the Summary.

To a non-physician completing this document: Professionals or other persons acquainted with the individual being assessed may also complete this document. If there is information of which a non-physician does not have knowledge, such non-physician may either leave portions of the document blank, or also make inquiries or do such investigation as is necessary to complete the document. Again, the names of any individual from whom information is derived should be listed on the Summary.

The document must be signed and dated by the person completing it. It does not need to be notarized.

A. BIOLOGICAL ASSESSMENT

THE FOLLOWING IS BASED UPON A PHYSICAL EXAMINATION CONDUCTED BY ME ON (DATE): ____________________

1. DIAGNOSIS and PROGNOSIS:

2. MEDICATIONS (PLEASE LIST):

How do the above medications, if any, affect the individual's decision-making ability? Please explain:
